4KΛΛD

NORDIC IS PASSION

Our mission at 4KAAD is to provide our customers with the best products in Nordic sports, creating excitement and innovations at highest level.

BLACKCODE X ULTIMATE

The BLACKCODE 10 ULTIMATE is the best race ski pole we ever built. 100% superlight Diamond Carbon with 50g/m weight and an outstanding swing.

The light components like the carbon cork grip and the exclusive CHANGE-IT basket in small size are part of a new benchmark in cross country ski poles.

The new AV PRO Skin strap is the first one fitting 100% around your hand like a second skin, but still providing maximum power transmission in every stride.

A new Benchmark is here.

It is one thing for the 4KAAD company to guarantee what it makes. It is quite another for it to guarantee what others make. But that is exactly what we do. Working hand-in-hand with our manufacturing customers and supplier, we assess each product style. And it's not just the finished 4KAAD product that's tested but the fabrics, stitching, sealing and linings must meet performance standards. Materials are tested in 4KAAD labs and prototypes are rigorously field tested in actual conditions in Norway.
